

Clean Energy Districts

So How Can We Make This Work in
South Texas?

How Can We Make It Work Here

- We will give updates on progress of San Antonio, Austin, El Paso, Houston and Dallas
 - We will give you updates on the two outstanding legal issues -- Public use and primacy of the lien
- 

Questions

- What might the role of Brownsville-PUB and Magic Valley be in helping to promote this model?
 - Would cities be likely to issue bonds for these projects or is third-party or NADBANK financing more likely?
- 

Questions

- Could smaller cities in one county collaborate together?
 - Is step one to set up a working group in the Valley?
 - What role might BECC and NADBANK play to help this happen?
-
